Linson presented cards from
the Albany Medical College which
showed attendance at that school for two
full sessions. Later he presented
statement, purporting to be from the same
school and signed by "J. J. Bradley Sec" which
Dr. Tucker the Registrar of the Albany Medical
College over his signature declares was never
issued by the Albany Medical College, not
signed by the Bradley connected with thatFaculty. This paper
gave subjects supposed to
have been passed by Linson
with marks. For this offense
Mr. Linson was called before
the Executive Committee on
Sept 14, and told to cease
attending here until he
brought explanatory papers from
the Albany Medical College
